Case No. 3:23-CV-00583-MMD-CLB

**ORDER DENYING MOTION FOR  
HEARING**

[ECF No. 35]

10 On March 27, 2024, Plaintiff Reina Tea Wood-Jimenez ("Wood-Jimenez") filed a  
11 motion requesting a hearing with the Court "on the facts of the case." (ECF No. 35.) First,  
12 it would be improper to set a hearing at this time as it is unclear whether service has been  
13 effectuated on the defendants. Moreover, to date, none of the defendants have filed a  
14 responsive pleading, document or made a notice of appearance of any kind in this case.  
15 In addition, there are no issues currently pending before the Court making a hearing  
16 unnecessary. Finally, Wood-Jimenez does not support her motion with points and  
17 authorities. (*Id.*) Failure of the moving party to file a points and authorities constitutes a  
18 consent to the denial of the motion. LR 7-2. For all of these reasons, Wood-Jimenez's  
19 motion for hearing, (ECF No. 35), is **DENIED**.

20 **IT IS SO ORDERED.**

21 **DATED:** March 28, 2024 .
